

*It's in our hands to make a difference*

# REFRESH

**Cationic Hydration Technology with 70% Alcohol.**

Refresh is a high performance hydro-alcoholic hand sanitiser Solution. Formulated with cationic surfactant system that disinfects thoroughly yet is gentle on hands. Kills 99.99% of germs, Refresh contains the active Agent Cetrimide that dissociates to a large complex cation when applied on hands destroying Virus, Fungi and both gram positive and gram negative bacteria. Cetrimide is the safest antimicrobial agent as it is poorly absorbed by the hands on application. Refresh hand sanitiser solution can also be used for cleaning wounds and treating minor burns, scalds, abrasions, and even to cure insect bites.

**ALCOHOL ANTISEPTIC 70% TOPICAL SOLUTION**
