

Champion Tyre wash is a alkaline surfactant cleaner for automotive tyre washes. Formulated with a blend of surfactants, abrasive agents and solvents to remove embedded dirt, brake dust and grease from tyre walls, Champion tyre wash high performance formula lifts soil buildup and road film out of tire surfaces and give the tyres an extra clean and fresh look.

Salient Features :

- Rapid penetration and cleaning
- Strong abrasive agents to remove stubborn soils
- Fortified with emollients to be safe on hands
- Contains passivating agents to protect alloys & steel from corroding
- Can also be used to clean black plastic bumpers and black vinyl fittings.

Specifications :

Appearance	: Green liquid
Odour	: Pine
pH	: < 11
Foaming	: Moderate
Surfactant	: Anionic
Solubility	: 100%
Phosphate	: Nil

Directions for use :

Wet the tyres thoroughly before using the tyre wash. Simply spray or wipe using a sponge on the tyre walls and allow one minute for the solution to penetrate and dissolve the soil. Work in and scour with a sponge or scrub over the tyres to boost soil and grease removal. Rinse with clean water and allow drying to a fresh finish.

Safety precautions

Avoid spillage . Do not allow spilled material to enter sewers, waterways or soil. Neutralize the product with mild acids like Citric acid or Oxalic acid before disposal.

Contains free Sodium hydroxide that can etch pure Aluminium. Avoid contact with Aluminium surfaces.

Storage :

Keep out of reach of children.

Screw on cap tightly after use.

Store in a cool and dry area away from direct sunlight .

Avoid ignition sources.
