

All our memories come alive with a smell. A good fragrance is in fact a powerful cocktail of memories and emotions. Mistral Waves is a range of compelling and inspiring diffuser fragrances that awaken your senses and bring alive your memories and thoughts. Infused with premium perfumes and equipped with unique natural antimicrobial technology, we offer variants of diffuser concentrates powered to keep malodors at bay and spread the fragrance throughout the area.

We at INCON smell the fragrance of the nature and discover them. The tender breeze will bring us a fragrance. Whenever it rains, the petrichor brings memories. The smell illumines us with nostalgia for the past. Can words describe the fragrance of the very breath of spring?

Our expertise in creating fragrance compositions from an array of natural ingredients and nature inspired synthetic absolutes produce a whole new sensory experience and not just a beautiful scent.

Most suitable for your olfactory receptors and environment, Mistral Waves have been specially formulated for consistent delivery of freshness and can be used all over the Homes, Institutions and Heavy traffic points like Airports, Hospitals, Malls & Auditoriums etc.
