

Our skin is a remarkable organ. It covers us, protects us, regulates our temperature, and shows us the first signs of imbalance in our bodies. The health of our skin reflects the health of our true being.

ELEMENTS was created bearing inspiration from Achara-Dharma, imbibed from the VEDAS . It illustrates the enduring practice of generations to purify your body with the natural elements drawn from nature.

ELEMENTS hand crafted soaps are made from natural ingredients like coconut oils and plant extracts which deliver the purest, most effective skin care.

ELEMENTS is created to clean and refresh your skin in the most inspiring way. Made with Virgin Coconut Oil and pure essential oils, it Cleanse, moisturize and soothe your skin. The soap is enriched with plant butters to give your skin the most natural moisturizing available. The pure Glycerine and Mono Laurin in virgin coconut oil provides anti-fungal and anti- bactericidal properties apart from added moisturizing. It offers a magnificent long-lasting lather and leaves your skin clean, soft and radiantly healthy.

Be Inspired with natural essential oils :

The authentic aroma stirred within us by nature is a combination of amazement and admiration that is inspiring. Inspiration so real and unassuming that we spontaneously find a deeper meaning in the feel and smell.
