- Anti-Bacterial – Keeps floor surfaces free from harmful germs and bacteria
- Non-sticky – unique formula keeps surfaces free from foot prints.
- Eco-Friendly – Fragrance gives fresh and clean ambiance.
- Bio degradable and eco friendly , phosphate free

Directions for use :

Dilute to correct ratios as required: For light cleaning use 1 part Floerger to 20 parts clear water. Heavy soiled areas will require 1 part to 10 parts clear water.

Floor and bathroom surfaces : Use 50 ml in 2 litres of water and apply.

Kitchen surfaces : Use 50 ml floerger in 1 ltr of water.

For Heavy soils : Floerger can be used to clean heavy soiled areas. Use 200ml of solution in 1 ltr of water. Wet the surface with this solution. Leave in contact with the area for approach 5-10 minutes. Floerger has natural grease dissolving agents that works well with time. Using a stiff bristled brush or a scouring pad, thoroughly scrub the area treated with the solution. Mop up the solution and rinse well.

Coverage: 20-40 M²/ Ltr depending on the aforesaid dilution ratio.

Safety Precaution

Use gloves if the surface is cleaned by hand brush or swab.

Floerger contains only safe ionic and non-ionic surfactants and perfumes.

Not recommended for use on wood, aluminium, carpets, fabrics or other delicate surfaces.

Rinse hands after use.

Keep out of reach of children .

Precaution :

Do not use on waxed, oiled or unfinished wooden boards or carpeted floors because they may be water sensitive. Do not mix with any other household chemicals or acid.

First Aid Measures :

On accidental spillages wash thoroughly with water. Consult physician immediately if irritation persists.

Keep away from eyes. If the product gets into the eyes , keep eye lids open and flush well with water. Contact physician if irritation persists.

If ingested drink water to dilute. Take emergency medical care.

If allergic to surfactants avoid direct contact. Wear gloves and eye protectors during cleaning and ensure no spillage on clothes.

Storage:

Screw on cap tightly after use in original container.

Store in a cool dry place and away from direct sunlight.

Store out of reach of children.

Packing

500 ml, 1 Ltr , 5 Ltr and 25 Ltr

Shelf Life

2 years from the date of manufacture
