

Fresh Wash

FRUIT & VEGETABLE WASH

Powerful
Rapid
Action

Safeguards your family from dirt, wax, bacteria, chemical and pesticides and Heavy metal residues

Let your body glow from the inside out

Unless you're buying exclusively organic produce, It's certain that the fruit and vegetables you buy are infected with Dirt, Fungi, Bacteria, Wax and Pesticides. Washing the produce you buy is pretty important. However washing with water alone is not sufficient. Research has proved that insecticides, fungicides and plant growth regulators can build up in the bodies of children and adults. Yet just a two week break from pesticide laden food sees the urinary levels of these chemicals fall to almost zero.

FRESH WASH is a 100% natural product which rapidly removes pesticides, germs , heavy metals, dirt and wax. FRESH WASH is tasteless and rinses clean because FRESH WASH is made using the natural earthly derivatives of sand, alcohol, salt, starch etc from around the world. Moreover it is blended with chitosan a unique natural biosorbent that brings back the firmness to your soft fruit and vegetables.
