

## Stain remover for Rust and Tannins

**COGENT Deruster** is used in the wash process for removal of metallic iron or rust stains from fabrics by presoaking or spotting. Fortified with powerful acids and stain lifters for rapid penetration and removal of stubborn rust stains, COGENT will also help to remove stains from blood, coffee, water hardness and more. Designed for use in institutional and industrial laundry applications on sheets, towel, blankets, table linen, uniforms, rags, coveralls, etc. COGENT effectively dissolves and penetrates stains prior to washing.

### Salient features :

- Easily removes iron and rust stains from fabrics.
- Eliminates graying and yellowing.
- Rinses completely keeping clothes safe from damage.
- Non Flammable and Non Toxic
- Biodegradable

### Specification :

Appearance	: Colourless liquid
Odour	: Characteristic
pH	: < 2
Sp.gravity	: 1.08
Foam	: Moderate
Solubility	: 100%

### Directions for Use :

**Prespotting :** Apply few drops of COGENT to stains. Rub on manual pressure to loosen the fabric deniers. Allow the solution to remain on fabric for 30 minutes prior to laundering.

**Presoaking :** For heavily rust stained fabric COGENT have to be used full strength or as 1:2 dilution with hot water. Soak the stained clothes fully immersed in the solution and leave for 1 to 2 hours. Rinse and wash with alkaline detergent on regular wash cycle in the washer.

**Safety precautions :**

Spillage: COGENT contains Ammonium Bifluride a known corrosive acid. Do not mix this product with other chemicals. Mix this product only with water.

Do not allow spilled material to enter sewers, waterways or soil. Neutralize with alkali. Mop up the spilled material and hold for disposal. After removal, rinse area completely with water to remove residue.

Do not eat, drink or smoke in the area where this product is used.

**First aid measures :**

If inhaled: Remove person to fresh air and keep comfortable for breathing. If uncomfortable, call a doctor for advice.

If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water. Wash contaminated clothing before reuse. If irritation persists call a doctor for advice.
