

# Oleo 2x

## Liquid Laundry Detergent

Ideal for all types of fabrics viz cotton, Nylon, Wool, Linen and Synthetic fabrics.

Fast  
Reliable  
Affordable

OLEO offers effective washing and optimum colour protection for all textiles at temperatures of 30° to 60°C. The formula with natural Aloe Vera extracts is free of bleaching agents and, thanks to its special ultra concentrated 2X formula OLEO delivers enhanced Wetting, foaming, emulsifying and dispersing power to keep your clothes looking new even after several washes.

### Salient Features :

Rapid action formula for quick dissolving.

Works faster to get your clothes clean.

Gentle on fabrics and the environment .

Washes white without bleaching.

Oleo is ideal for all types of fabrics viz cotton, Nylon, Wool, Linen and Synthetic fabrics.

Oleo is suitable for Hand washing and Top load and Front load machines

### Specification :

Form	: Blue liquid
Surfactant	: Anionic and Non Ionic
pH	: 8 +/- .5
Specific gravity	: 1.02 to 1.04

### Fabric Load Standard volume of use :

Regular Machine

5 kg 40 MI 50 ml

3 Kg 30 MI 35 ml

3 Kg and less 25 MI to 30 MI

### Directions for Use :

1. Begin filling your washer with water
2. Pour the required ml of OLEO into the washer to fully dissolve the detergent
3. Once detergent has dissolved, add clothes and wash as normal.

For Prespotting stains : Apply few drops of Oleo directly on the stains.

Rub the area with hand before washing. Oleo is tough on curry stains

and ring around the collar stains ( Sebum stains ) For extremely stubborn

stains use an extra half of the recommended dosage and put laundry

through warm / hot washing. For Hand wash soak in warm water and wash.

## Safety Precautions:

Keep container well closed.

Keep out of reach of children's reach and sight.

Never mix Saaf with ammonia, ammonia-based products or acidic products. The combination can be dangerous... or even deadly.

## First Aid Measures :

If spilled on your body do not try to wipe dry. Contains silicates. Wash with plenty of water.

In case of eye contact flush well with water. If irritation persists get medical help.

If allergic to detergents avoid manual wash. Wear gloves and eye protectors during machine wash and ensure no spillage on clothes.

If ingested : Do not induce vomiting unless directed to do so by a physician. Never give anything by mouth to an unconscious person. If potentially dangerous volume of this material have been swallowed get emergency medical attention.
