

Liquid Laundry Detergent

**Active
Solvent**

**Cleaning
System**

Heavy duty solvent based detergent

Zolo means Solo. It does everything by itself. Washes away dirt, removes stains and gives a refreshing semblance to cloths. Zolo has a built-in-pretreated solvent specially formulated to remove those tough to remove stains. Zolo works by itself with its low surface tension and superior ability to penetrate into the tightest clearance areas. It removes thick baked on oils, greases, dirt and particulates. It is also loaded with an odor neutralizer that helps combat foul smells. This solvent enhanced liquid laundry detergent is ideal for use in commercial, institutional and domestic laundries.

Salient features :

- Very low foaming ideal for front loading washer
- Concentrated: Min use for normal loads
- Contains Deodorizer and optical brighteners
- Superior performance with all washes

Specifications:

- Form: Clear liquid
- Colour: Blue
- Sp gravity: 0.98
- Odour: Lime Fresh
- Temp : 30 to 60 Deg Celsius

Directions for use

Dozage Regular Machine

- 5 kg 40 MI 50 ml
- 3 Kg 30 MI 35 ml
- 3 Kg and less 25 MI to 30 MI

1. Begin filling your washer with water
2. Pour the required ml of ZOLO into the washer to fully dissolve the detergent
3. Once detergent has dissolved, add clothes and wash as normal.

For Prespotting stains : Apply few drops of ZOLO directly on the stains. Rub the area with hand before washing. ZOLO is tough on curry stains and ring around the collar stains (Sebum stains) For extremely stubborn stains use an extra half of the recommended dosage and put laundry through warm / hot washing. For Hand wash soak in warm water and wash.

Washing tips :

Make sure that the wash water temperature is between 30 to 60 Deg Celsius. ZOLO will not work if the water temp falls below 20 degrees Celsius.

If water hardness is greater than 250 ppm, an increase of recommended dosage may be required.

Safety Precaution:

Keep out of reach of children.

Store in a cool and dry place.

Do not mix with other chemicals

First Aid Measures

Avoid long periods of contact with skin.

For spillage on body, gently blot it out and wash with plenty of water.

If on eyes , keep eyelids open and flush with plenty of water for some time. If irritation persists take medical assistance.

If ingested drink plenty of water. ZOLO contains mineral solvents. If potentially dangerous volume of this material have been swallowed get emergency medical attention.

Precautions :

Do not use Zolo to wash PVC, Rubber and thermoplastic garments, aprons and overcoats. The solvent will soak into the garment and damage it.

Some of the components in ZOLO may also pose health or environmental hazards if misused.

Always refer to the instructions on the label before use.
