

OLEO

Detergent powder

Washes whitest

Oleo is a high alkali built **heavy-duty** laundry detergent containing a combination of non-ionic and anionic surfactants, emulsifying agents, water conditioners and fluorescent brighteners. OLEO is formulated to wash clothes laden with heavy organic soils. Its advanced ingredients efficiently remove organic soils and provide superior results on all washable fabrics and are safe for synthetic and natural fibers. OLEO removes stubborn soil and keeps it in suspension, preventing re-deposition on fabric.

OLEO is biodegradable, rinses quickly and completely, and is effective in all water hardness conditions and temperatures. OLEO is ideal for Institutional high alkaline wash for organic soils.

Salient Features :

- Safe for synthetic and natural fibres
- Superior stain removal of oil, grease, dirt and other tough laundry stains.
- High performance with each wash.
- Suitable for domestic and commercial use
- Contains high water softeners and sequestrates.

Specification :

Appearance	: White free flowing powder
Nature	: Alkaline
pH	: 14
Sp.Gravity	: 1.10
Surfactant	: Anionic and Non Ionic
Solubility	: 100%

Directions for use ;

OLEO is a highly alkaline product. Not recommended for hand washing.

Top Load washers : Add 50 grams (4 Tbsp.) per full load, start water and add dirty clothes. Always wash whites and colors separate, and follow manufacturer's instructions.

Front Loading Washers (HE) – Use 70 grams per full load (7 Kgs) .

Useful Tips for washing

Always check dosing instructions on the pack and use the scoop to measure out the right quantity.

Presoak clothes that are heavily soiled. Use the same amount of detergent you would use for a full load of clothes. The heavier the fat or protein contents of the soil, the higher the volume of detergent to be used.

For best results wash at temperatures of 60 – 70 deg Celcius.

Safety precautions

OLEO is a highly alkaline product. Cause irritation and a burning sensation. Harmful if swallowed. Wear protective clothing, gloves, eye/face protection and suitable respirator if required.

Add detergent just before turning on the washer. Return the product to storage shelf immediately

Hot water is ideal for effective results in machine wash. Exercise caution to prevent possible spills and burns.

First aid measures
