

UNIK

Power Detergent for High efficiency washes

Unik promises ultimate wash solutions for complete fabric care . Packed with ultra softeners and advanced blend of alkalies and builders unik penetrates deep into the layers of fabric and directly attacks dirt and stains to break them down bringing you bright and clean clothes.

Unik increases the alkalinity of the wash solution and helps to emulsify fats, oils and particulate soils in all water conditions. This product is formulated for outstanding results in domestic and institutional applications.

Salient features :

- Ideal for top loading, Institutional and manual wash
- Can be used on all type of fabrics
- Softens water to eliminate yellow colouration.
- Improves whiteness of clothes.
- Works well in hard water.
- Synergy with peroxide and chlorine bleaches.
- Low suds for easy wash off
