

Cleanol

All Purpose cleaner

Perfect product to keep inventory all through the year.

Cleanol concentrated all purpose cleaner is designed to clean virtually every kind of surface. Just a small amount of Cleanol contains enough cleaning power to get rid of dirt and grime from almost any household surface.

Formulated to do everything, Cleanol can be used to clean pots, pans, sinks, drains, floors, walls and almost everything. It also delimes and cleans shower stalls, toilets, and the entire restroom. It only takes a little Cleanol to get big jobs done around the house.

A safe cleaner and degreaser that really works and can be economically custom-diluted for many uses. Mix with water for everyday use or use full strength. Cleanol can even be used to wash your laundry.

Cleanol is 100% biodegradable, contains no synthetic dyes, is pH balanced and added with glycerin to make it easy on your hands.

Salient Features :

- Powerful, all-purpose cleaning
- Safe cleaner and degreaser
- Non-toxic and biodegradable formula
- Versatile concentrate lasts longer

Specification :

Form : Clear viscous liquid
 pH : 6.5 to 7
