**Directions of Use:**

Dilute as necessary or use full strength for cleaning of all types of Dishes , Crockery, Glasses Cutlery and cooking utensils.

Hard surface cleaning of all surfaces viz Counter tops, Kitchen Equipments etc

**Washing Tips:**

Dishwashing Gel is used primarily for removing food grime from used dishes and tableware. Heavy soil (large food particles) has to be removed from the dishes before using dish wash gel. For heavy Soil soak the utensil in water, drain and apply directly and scrub. For light soil NIMO can be diluted with water for easy flow and scrub.

**First Aid Measures:**

On accidental spillages wash thoroughly with water. Consult physician immediately if irritation persists.

Keep away from eyes. If the product gets into the eyes , keep eye lids open and flush well with water. Contact physician if irritation persists.

If ingested drink water to dilute. Take emergency medical care.

If allergic to surfactant avoid direct contact. Wear gloves and eye protectors during cleaning and ensure no spillage on clothes.

**Safety Precaution**

**Nimo** contains only safe ionic and non-ionic surfactants and perfumes.

Not recommended for use on wood and carpets.

Rinse hands after use.

Keep out of reach of children .
