

# Rigor Rinse Aid

Rigor RA powerful action helps to have sparkling clean dishware straight out of the dishwasher after each cycle.

Rigor RA reduces the surface tension of rinse cycle thereby water from the surface of dishes are carried away leaving the table-ware sparkling new. Its special water conditioning agents help to dissolve minerals on the dishware allowing the water to sheet off dishes rather than dry in droplets to eliminate spotting.

## Salient Features

1. Fights water spots and soap scums
2. Emulsifies residue
3. Speeds up drying
4. Imparts film protection
5. Gives brilliant shine

## Specification:

Form	: Liquid
