

***Alkaline anti-bacterial
cleaner for oven and grill***

TUSKER is a biodegradable water based alkaline cleaner that effectively removes carbon and grease from fryers, stoves, oven, filters, barbecues and grills. TUSKER is formulated with a powerful blend of biodegradable solvents and alkaline surfactants for unmatched penetration and removal of stubborn stains. It also contains the antimicrobial active ingredient, Triclosan that acts to stop the growth of bacteria, fungi, and mildew. TUSKER can also be used to degrease exhaust fans, grills and any other oily equipments and tools.

Salient Features :

Effortlessly removes burnt on grease, proteins and sugars.
Special blend of Surfactants, Alkalies and Emulsifiers for degreasing.
Eco-friendly and Bio-degradable.
Contains limonene , a biodegradable solvent as an active degreaser.
Added with antibacterial agent to inhibit fatty acid synthesis.

Specification :

Appearance	: Pale olive green liquid
Odour	: Pine
pH of 1% sol @25 C	: >14
Free alkalinity as Na ₂ O	: High
Solubility in water	: 100%

Directions for use

Fat Fryers : Wipe away food soils and residues. Fill fryer with water and add equated volume of 250 ml of TUSKER to 5 liters of water and bring to boil for 15 minutes. Allow to cool. Neutralise with Citric Acid or vinegar, drain and rinse with water.

Oven and Grills : Wipe away food soils and residues from surface to be cleaned. Heat oven or grill to 60 Deg Celcius. (Care should be taken that temperature should not escalate 70 Deg Celcius). Dilute TUSKER with equal quantity of water and allow to take effect for some time. Work in and scour with a sponge or scrub over the surface to boost grease removal. Neutralise surface with vinegar or citric acid. Then rinse with clean water. For stubborn soil surfaces apply undiluted and allow to take effect for some time. Clean and rinse as stated above.

Safety precautions;

Not recommended on Aluminium, Tin , Non ferrous or galvanized metals.
Avoid spillage . Do not allow spilled material to enter sewers, waterways or soil. Neutralize the product with mild acids like Citric acid or Oxalic acid before disposal.

First aid measures

Inhalation: Remove person to fresh air and keep comfortable for breathing.

Skin Contact: Wash with plenty of water. Take off contaminated clothing and wash before reuse. Call a doctor for treatment advice if irritation persists.

Eye Contact: Contains alkaline silicates. Rinse cautiously with water for several minutes. Remove contact lenses, if present. Continue rinsing. Take medical help if irritation persists.

Ingestion: Rinse out mouth. Do NOT induce vomiting. If potentially dangerous volume of this material have been swallowed get emergency medical attention.

Storage :

Keep out of reach of children.

Screw on cap tightly after use.

Store in a cool and dry area away from direct sunlight .

Contains Lemonene, a solvent. Do not store this material near ignition sources.

Packing : 5 Ltrs and 20 Ltrs

Shelf Life : 2 Years from the date of manufacture .

Important :

Be sure to read all Directions, Safety and First Aid Measures on product labels before use of TUSKER or any INCON product. If in doubt, get in touch with INCON customer service. Material Safety Data Sheets for all INCON products are available by visiting www.inconproducts.in

Non Warranty :

Manufacturer or seller of this product makes no warranty expressed or implied concerning the use of this product other than the aforementioned purpose. Manufacturer or seller is not liable for any injury or damage caused by this product arising out of misuse, misunderstanding or any application not specifically described and recommended on the safety data sheet.

Guarantee :

INCON's production and quality control system ensure uniform quality. However if dissatisfied with the performance of the product, you may return any unused portion for credit or replacement within 6 months of the date of manufacture.
